

"The Invitation & Conversation"

by Rev. Tyrone A. Jackson © 2005

As I rose up for my morning shower,
the Lord began to speak.

The way He touched me was like
a mighty wind.

A cool breeze on a sunny day, I must say.

So what's written here in bold letters
is what He had to say.

**He said tell my people these things I
speak.**

**Seek Me as your gold and silver.
Then they will experience
Great Deliverances.
Especially in these last
days.**

**The gold and silver you seek in this
land,
can't compare to that
which pave my streets.**

**So seek the Face that can bless you
and not the land that hates you.**

I'm the God who can part the Red Sea

for all your deliverance.

**And by the wave of My hands
I consume your enemies.**

**Don't look to your right or left for
strength.**

**I'm all you need to achieve your
dreams.**

**Make Me your gold and silver,
then your true adventures will
begin.**

**Oh! How I long to show you great and
mighty
things, only a true believer can
achieve.**

**Forsake that which separates you from
Me,
because there's no other gods that
can
bless you like I can.**

**Haven't you heard behind every idol,
Satan is in charge.**

**So forsake the pride of self,
and bow your heart to Me.**

*Then all the people will know
that you are sent of Thee.*

*As you begin to do this one thing,
the course will be set
for Me to meet
all your needs.*

****turn over****

*Only trust in Me and a new boldness
will arise.*

*No one will be able to deny
the glory on your face
nor resist the words
that you shall speak.*

*Many will come and bow at your feet,
with treasures in their hands
and praises on their lips.*

Thanking God for your obedience!

*Come now! Let us begin!
Thus saith the Lord.*

So all that was written in bold
is what the Lord had to say.

Followed by that I begin to ask.
Lord! Why are you using me this way?

These things you speak have been hard to bare.
Your Words to me has been
like a two edged sword,
Both bitter and sweet.

I feel like the weight of the world
is on my shoulder
and my knees are about to buckle,
at the words you continually speak.
Furthermore, who will receive what I have to say?
Seeing that I'm not the best with a tongue
to speak.

What sign will you show to prove that you are
speaking through me?

Then it finally dawned on me,
God knows all things on men hearts.

So I stop all my jabbering,
and asked God to forgive me,
because I was sounding like Gideon
and the Prophet Jeremiah all in one
with all the things
that I was thinking and
speaking.

Well what He say afterward was very interesting.
