“The Essence Of An Uncommon Man”

At first glance I look like any other common man.

But below the surface there’s more to me than meets the eye.

I’m an “Uncommon Man,” doing things that mere mortals read about in comic books or in the Holy Bible.

I’m a believer that’s why I’m not common as you may be.

Nor am I common like many you may see.

I know who I am and what I’m called to be.

That’s why you won’t find me in the den of religious hypocrisy.

Not by my name, nor by my own authority do I do the things that amazes you.

It’s by the **Glory** of Jesus, I state my claims. He is the Christ who paid the price for my new way of life.

No I don’t wear a cape like a comic book hero, but my prayers have saved many lives.

Nor do I scale walls like a human spider, but the demonstration of God’s love and faith **has** moved many mountains of circumstance.

I’m the real thing!

Living the real life!

Liberty in the face of everything is my moto!

Living in full effect!

That’s right! Christ’s way of life!

Anointed and appointed to be uncommon so that I may touch your life in a heavenly way.

I'm an "Uncommon Man" suited in the **Whole** Armor of God, with special abilities to keep the demons in flight and bring about change in men's lives.

I've been empowered to prosper as it pertains to the ways and means of God's Word. That's why I'm uncommon or genetically blessed as many have come to realize.

Don't worship or praise me as some kind of superstar.

This is just the essence of an "Uncommon Man" doing the will of God, as ordained before his mother's womb.

Don't be a hater but become a partaker. There's room for you too to be a cut above the rest.

Truly the harvest is plentiful but the "Uncommon Man" is few. So pray to the Lord of harvest to send more men with the heart of God.

An Uncommon Man / An Uncommon People is what **the world** needs in these last days.

AMEN
